Subject:- Jungle Warfare Cadre in Shimoga Area.

My dear Mr Madhava Rao

I have just received a telegram from the Political Department saying that General Headquarters wish to establish a Jungle Warfare Cadre and Engineer Assault School in Koppa area South of Shimoga ancillary to school already established in this area in MUNDAGADDE The combined strength of the staff and the students of this new cadre will be approximately 1,000 to 1,200.

2. His Excellency the Crown Represantative realises that large numbers of troops are already in training in Mysore and it was at his intervention that the proposal to send more was reversed in September. The present proposal is however really essential if the war effort is not to be impeded.

3. It will be noticed that the present proposal is nothing like so big a thing as the training of a Division over a very large area to which the Mysore Government agreed previously. I trust therefore that the Mysore Government will agree. I have to send a telegraphic reply at the earliest date possible.

Yours sincerely

Pradhana Siromani N. Madhava Rau Esq., CIE.,BA.,BL.,

I beg to submit letter No. F. 100/43 of November 17 from Colonel Fraser requesting concurrence of this Government to the proposed establishment of a Jungle Warfare Cadre and Engineer Assault School in the Koppa area and a copy of my letter in reply to his communication.

We have already agreed to the proposal of the General Headquarters to train a Division over an extensive area in this part of the State. The modified proposal now put forward is on a very much smaller scale and is not open to objection. The Hon'ble the Resident has accordingly been informed that His Highness's Government agree to the proposal.

I submit the papers for His Highness's gracious perusal.
